meeting at the airport lobby, the Union Minister was shown visual and photographic presentation of the massive damages across Nagaland caused due to erratic nature of rainfall and the situational report of the most severely hit districts by OSD, NSDMA, Johnny.

At Dimapur, while addressing a meeting at Niathu Resort, Kiren Rijiju assured the Chief Minister Nagaland and other officials of all possible help from the Home and Defence Ministries. Expressing concern that basic commodities must reach the far flung areas, Rijiju said that Air Force would be kept on standby to aid the state emergency situation. The Union minister said that an Internal Ministerial team would be constituted and sent to Nagaland to prepare correct projection of the financial requirement.

While observing that problems faced by the hilly areas are more acute and different which needs due consideration, Kiren Rijiju assured that he would raised the issue with the next Finance Commission. While explaining that Home Ministry's role is limited to rescue and relief works as per Finance Commission

guidelines, he assured to follow up with the other line ministries for restoration and re-building works.

Chief Minister, Neiphiu Rio on behalf of the State Government, expressed gratitude to the Union Minister for showing his concern by personally visiting Nagaland and for assuring that Delhi has not forgotten Nagaland. Stating restoration work as the main challenge, Rio requested for additional fund to start restoration works besides immediate relief. He also requested the Union Minister for granting ex-gratia to the 10 lives lost due to disaster. Rio also informed Rijiju about the decision of the PDA elected members who have decided to contribute one month salary and all party workers to give voluntary donation to manage the immediate state requirement. Rio also made an appeal to all government servants for voluntary contribution as the state reels under disaster.

Home Secretary, Rovilatuo Mor, Deputy Commissioner and Commissioner of Police, Dimapur were also present in the meeting.

## **Orientation programme on CCA for Senior Officials in Nagaland (Level 2)**

Orientation programme on Climate Change Adaptation for Senior Officials in Nagaland (Level 2) was held on 9<sup>th</sup> August 2018 at Hotel Vivor, Kohima. It was organized by Nagaland State Climate Change Cell (NSCCC) under the Nagaland Science & Technology Council (NASTEC), nodal department of Science & Technology, in collaboration with Climate Change Cells of the 12 Himalayan states.

Commissioner & Secretary, Dellirose M. Sakhire, IAS in her welcome address, pointed out that NSCCC which was established in April 2017, was set up under the National Mission for Sustaining the Himalayan Ecosystem (NMSHE), and it is the 8<sup>th</sup> mission of the National Action Plan on Climate Change (NAPCC). She added that some of the key objectives of NSCCC is assessment of vulnerabilities and risks due to climate change in the state in selected sectors; creation of essential research infrastructure to enable access and sharing of computational and data resources; to establish a network for research collaboration with various stakeholders within and beyond the state etc.

Divya Mohan (IHCAP) in her brief remarks about IHCAP said that climate change is a growing concern for the world; it is impacting the natural resources, ecosystem and communities. She pointed that mountain regions are especially sensitive to climate change; it is complex and fragile, and to address the impact of climate change, the IHCAP has come forward with various ecosystem services. She said that acknowledging this challenge, the Government of India had launched a specific mission dedicated for the mountain region. The IHCAP which

started its 1<sup>st</sup> phase (2012-2015) focused only in the Himachal region and the 2<sup>nd</sup> phase (2016-2019) is now being covered in all the 12 Himalayan states.

Delivering the keynote address, Chief Secretary, Temjen Toy, IAS said that one of the biggest challenges that the state faces, being a mountainous and agrarian state, is impact on agriculture and infrastructure. Toy stressed on the need to focus more and adopt 'Climate proofing - the practice of taking action in preparation for a changing climate.' He also said that, to meet and plan for the challenges, one will have to rely on good and consistent data, and stressed on the need to embark on 'One state, One data' mission.

Brief overview of Nagaland State Action Plan on Climate (NSAPC) was presented by Chief Conservator of Forests & State Nodal officer for Climate Change, Supongnukshi, IFoS. Other highlights of the programme were technical session on Climate Change Science, Climate Change Policies, and group activity on Climate Change Adaptation which were presented by Dr. Chubamenla Jamir (TERI School of Advanced Studies), and moderated by Divya Mohan (IHCAP); Dr. S. ## CM DASHBOARD & e-NPS LAUNCHED

Chief Minister, Neiphiu Rio launched the CM Dashboard & e-NPS on 13<sup>th</sup> August 2018 at Secretariat Conference Hall, Kohima, to ensure proper monitoring of all government schemes with transparency and accountability in one single frame.

The CM Dashboard (<https://nl.cmdashboard.nic.in>) is an electronic window which gives a comprehensive view of various e-Governance projects/schemes running in the state in a single window in terms of some important measurable parameters/progress called KPIS (Key Performance Indicator); this system will enable the Chief Minister to assess the performance of the projects on the click of a button and take immediate actionable decisions with regard to the projects/schemes. e-NPS (Electronic National Pension System), developed in integration with PIMS (Personal Information Management System), is to meet the urgent requirements of the state government to manage the contribution of the department employees who are subscribing towards the NPS and subsequently downloading the FPU (File Preparation Utility) to upload in NSDL (National Securities Depository Limited) portal. The portal for e-NPS is [www.pimsnagaland.in/nps](http://www.pimsnagaland.in/nps)

Inaugurating the CM Dashboard, Chief Minister, Neiphiu Rio said that Nagaland being a state which is dependent on flagship programmes of the government, this initiative will help in informing the people about the details of the various projects/schemes being implemented in the state. Rio mentioned that as of now, there are 22 schemes of 11 state government departments, and that the other departments will also follow suit. Also, on e-NPS, the CM said that this web system will help the government in effectively maintaining the NPS records and contribute to the welfare of the citizens. As of now, e-NPS is being launched only in Kohima district, and will be covered very soon in the rest of the districts, he added.

Chief Minister, Neiphiu Rio launching the CM Dashboard & eNPS at Secretariat Conference Hall, Kohima on 13<sup>th</sup> August 2018.

Through live video conferencing, DG, NIC, Neeta Verma briefed on the services of the CM Dashboard. She pointed out that the CM Dashboard provides a finished record of all the important programmes and schemes of the government and the advantage of the service is that it enables one to use the programme with their own indicators, benchmark and customization. She also appraised that the most important aspect of the service is that all the important data coming into the Dashboard is directly picked from the IT system and there is no human error in it. She further urged the Nagaland Government to consider in approving the district-wise dashboard down the line for a single window where they can get access to all the programmes and performance at the district level too.

SIO, NIC and OSD, Finance, V. Kezo delivered powerpoint presentations on the CM Dashboard and e-NPS respectively. The programme was chaired by Chief Secretary, Temjen Toy, IAS. Commissioner & Secretary to the CM, Abhishek Singh, IAS delivered the welcome address and invocation prayer was pronounced by State Chaplain, Rev. Kuzierang Thou.

## INDEPENDENCE DAY 2018 REPORTS FROM ACROSS THE DISTRICTS AND SUB-DIVISIONS

### KOHIMA:

Greeting the people of Nagaland on the auspicious occasion of the nation's 72<sup>nd</sup> Independence Day at Secretariat Complex, Kohima on 15<sup>th</sup> August 2018, Chief Minister, Neiphiu Rio said 'on this historic occasion, we are reminded of the sacrifices and devotion of the country's freedom fighters to the cause of independence from foreign occupation through struggle and sacrifice.'

On Naga Political Issue, Rio stated that the political negotiations have been going on for the last

21 years and he hoped for an early and final settlement of the Naga Political Issue that is honorable, inclusive and acceptable to the Nagas.

On the integration of all contiguous Naga inhabited areas, Rio appealed to the neighboring states to appreciate the history and democratic rights of the Nagas under a spirit of mutual respect so that we can live together as good neighbors under an environment of harmonious coexistence and brotherhood. Good Governance is being addressed through efficient use of technology and all government departments have

their websites and biometric attendance has been made mandatory to ensure efficiency, transparency and accountability. One of the top priorities of my Government has been to ensure better roads and we have taken up repair of all major roads in all districts, Rio added.

Rio also mentioned that Tourism has been a focus area and in order to ensure that benefits of tourism reach all corners of the state, it has decided to organise Mini Hornbill Festivals in all District Headquarters keeping in mind that Nagaland is a Land of Festivals. He also announced that Women Police Stations will be set up in all districts to ensure we continue to be amongst the safest states for women in the country. Further, TA/DA allowances for policemen were enhanced with the implementation of 7<sup>th</sup> ROP that ensures higher emoluments when they are deployed on duty within and outside the State. Government has also enhanced the ex-gratia payable to the next of the kin of personnel of Assam Rifles, Armed Forces, CAPF and Nagaland Police in incidents involving fatalities, non-fatal disabilities or injuries.

Rio focused on the need to brand our agricultural produce as organic and create a greater value for our farmers and integrated farming systems by having Agriculture with Fishery, Livestock rearing, Horticulture and Forestry which will help in doubling agricultural income for our farmers by 2022. He also commented that our State has earned recognition the world over for our efforts for conservation of wildlife and biodiversity, and cited the success stories like the Amur Falcon Conservation, the Sukhai Community Conservation Area and Lemsachemlok Organisation Yaongyimchen which were awarded the India Biodiversity Award, 2018 under sustainable use of biological resources and conservation of wildlife categories and the Sendenyu Community, Sendenyu, Kohima which was awarded the Balipara foundation award for their conservation efforts.

Rio ensured quality education and accessible health care for the people and said that under Higher Education, with funding under

the Rashtriya Uchchatar Shiksha Abhiyan (RUSA), Wakching New Model College, Mon (Science) has been established with a campus area of 18 acres and college is nearing completion and will soon have separate Administrative and Academic block, two 50-bedded hostels for boys and girls. He also added that similar augmentation of buildings and infrastructure is being taken up in all 15 Government Colleges across the State. Three new Government Polytechnics were inaugurated at Seithekiema 'C' in Dimapur, Sedem in Tuensang and Tsunazho in Phek recently and also proposed Government Polytechnics at Aboi (Mon), Peren and Kiphire.

The Chief Minister said commemorating the centenary year of the legendary footballer Dr. Talimeren Ao a year-round calendar of activities has been planned and it will culminate in Nagaland hosting the Dr. T. Ao North East Football Championship. He also said other planned programme includes football clinics and state-wide competitions for youngsters, exposure events and conduct of an international sports seminar along with revival of Dr. T. Ao Sports awards. He also announced that Nagaland will be participating in the Ranji Trophy cricket tournament and said that it is a significant milestone and our cricketers will get the opportunity to participate in all national level tournaments as Nagaland has become a full-fledged member of the cricket fraternity of the country. Rio said that the Government has planned to promote music and the arts as an industry with an all new approach in order to create opportunities and new vistas for not just musicians but all aspects related to the music industry.

On health sector, a MoU has been signed with the National Health Authority to implement the health insurance scheme which will provide insurance coverage benefit of Rs. 5.00 lakh per family per annum for hospitalization under the Pradhan Mantri Rashtriya Swasthya Suraksha Mission (PMRSSM). Under Ayushman Bharat, 56 Sub-Centers will be upgraded to Health and Wellness Centres during 2018-19. Two Primary Health Centers (PHCs) in the

Aspirational District of Kiphire and three more Urban Primary Health Centers (UPHCs) are being made operational. In March 2018, the National Nutrition Mission was launched by converging various nutrition related schemes in Kiphire and Tuensang districts. The government has decided to implement the long pending Persons with Disabilities Act 2016 and all public buildings and offices are made accessible for differently abled persons. With an objective to provide skill development for rural women with avenues for women entrepreneurs to set up their business, five Women Resource Centers in Phek, Mokokchung, Wokha, Peren and Zunheboto districts have been set up. The first such centre was inaugurated at Runguzu Basa in Chozouba on 15<sup>th</sup> June 2018.

Repair and maintenance of roads was the top priority of the present government and as such, repair of all major roads in all districts headquarters was taken up in the first 60 days. 4-laning of Dimapur to Kohima National Highway is an ongoing work taken up by NHIDCL. Under SARDP, the following roads are being taken up - Wokha-Merapani; Zunheboto - Chakhabama; Pfutsero - Phek; Merangkong-Tamlu-Mon and Changtongya - Longleng. Survey for Kohima bye-pass has been completed and work should begin soon. ## NOKE KONYAK LAUNCHES VIDEO & RADIO JINGLES

*Advisor, Social Welfare Department, Noke Wangnao launching the video on adoption of Radio and Jingles at Secretariat Conference Hall, Kohima on 31<sup>st</sup> August 2018.*

The Department of Social Welfare, Child Services launched the video on adoption of Radio and Jingles on 31<sup>st</sup> August 2018 at Secretariat Conference Hall, Kohima.

Secretary, Social Welfare Department & Chairman, Child Protection Services, Sarah R. Ritse in the launching programme said that adoption is an act of love but the process has to go through law. She added that according to the Juvenile Justice Act, adoption is the process through which the adopted child is permanently separated from his biological parents and become the legitimate child of his adoptive parents with all the rights, privileges and responsibilities attached to the relationship.

Sarah Ritse also appraised on the functions of State Adoption Resource Agency (SARA) which act as an executive arm of the State Government for promotion, facilitation, monitoring and regulation of adoption programme in the State. It primarily deals with adoption of orphan, surrendered and abandoned children. She added that SARA in Nagaland has been doing exceptionally well since its inception in the year 2010 and the total number of in-country adoption from April 2010 till date is 110, total number of inter-

country adoption since 2015 till date is 10 and combined adoption so far is 120, out of which most of the adopting parents are local Naga parents.

The various allied department participants are Health & Family Welfare, Police Department, Judiciary-Legal Service Authority, DIPR, Labor Department, State Resource Centre for Women, the Statutory Bodies (SCPCR, Child Welfare Committee, Juvenile Justice Board, Child Line, Governing Body of SARA), Specialized Adoption Agency and Child Care Institutions, District Child Protection Unit.

Director, Child Protection Services, Chubainla Jamir in her presentation on adoption pointed out that, in the District level, the District

Child Protection Unit identifies orphans, abandoned and surrendered children in the district and gets them legally free for adoption by the Child Welfare Committee - CWC with the help of Specialized Adoption Agency - SAA and Child Care Institutions- CCI.

Chubainla also highlighted that there are more than 60 Child Care institutions which have been linked to the Specialized Adoption Agencies- SAA for linkage cases and Nagaland is one of the first states in India to start linkage cases of adoption. 85% of adoption in Nagaland is by local Naga parents and very shortly, an Adoption Resource Book will be published and launched officially, she added. She further appraised that one can adopt from adoption agencies like Radiant Educational Society (SAA), Kohima Orphanage and Destitute Home (SAA), John 3:16 (SAA), Mon; Wondang-Ki Charitable Foundation (SAA) Dimapur.

Earlier, Advisor, Social Welfare, Noke Wangnao launched the Video and Radio Jingles. The programme was chaired by Secretary, Social Welfare Department and Chairman, Child Protection Services, Sarah R. Ritse.
