## GUIDELINES ISSUED FOR ESTABLISHMENT OF PRIVATE UNIVERSITIES IN NAGALAND

The Department of Higher and Technical Education, Nagaland has issued comprehensive guidelines for establishing private universities in the State. The notification aligns with the University Grants Commission's (UGC) 'Establishment and Maintenance of Standards in Private Universities Regulations, 2003.' The guidelines detail procedures, requirements and commitments for potential sponsoring bodies aiming to set up private universities.

Key highlights of the guidelines:

1. **Eligibility of sponsoring bodies:** Sponsoring bodies must be registered as Societies under the Societies Registration Act, 1860. Public Trusts under relevant laws or the Indian Trusts Act, 1882 and companies under Section 8 of the Companies Act, 2013.
2. **Application process:** Proposals for private universities must be submitted to the Department of Higher Education with a Detailed Project Report (DPR) and a non-refundable fee of ₹2,00,000. The application undergoes review at both departmental and state levels.
3. **Mandatory proposal details:** Proposals should include objectives, location, and justification for the university, proposed academic programmes, fee structures, and provisions for socially or economically disadvantaged groups (minimum 25% reserved seats), land availability, infrastructural plans, and financial outlays for the first five years. Compliance commitments to UGC norms and inclusion of State Government representatives on university governing bodies.
4. **Approval process:** Applications will be scrutinized by committees at departmental and state levels, with inspections conducted for feasibility and compliance. Proposals meeting all requirements will be forwarded for final approval within three months.
5. **Letter of Intent (LoI):** Upon approval, the State Government may issue a LoI, requiring sponsoring bodies to establish a permanent endowment fund of ₹3 crore, procure at least 25 acres of land, develop essential infrastructure, including administrative and academic buildings, and invest in learning resources worth ₹10 lakh.
6. **Legislative enactment:** After fulfilling LoI conditions, a bill for the establishment of the university will be introduced in the state legislature for approval and gazette notification.
7. **Regulatory compliance:** Universities must adhere to UGC norms, obtain necessary approvals for programmes from regulatory bodies, and achieve National Assessment and Accreditation Council (NAAC) accreditation within five years of establishment.
8. **Annual obligations:** Newly established universities must submit annual reports and audit reports to the Department of Higher Education. Additionally, ₹250 per student will be contributed annually to the State Government.

These measures aim to ensure quality higher education and robust regulatory oversight, fostering academic excellence and infrastructure development in Nagaland. The guidelines emphasize inclusivity, accountability, and adherence to national standards in higher education.

For detailed information, interested parties may contact the Department of Higher and Technical Education, Nagaland, Kohima.

## NBSE INFORMS ON CENTRAL SECTOR SCHEME PM-VIDYALAXMI

In pursuant of Ministry of Education and Department of Higher Education, the Chairman, Nagaland Board of School Education (NBSE) has notified for information of all concerned that a new Central Sector Scheme PM-Vidyalaxmi has been approved by Union Cabinet on 06.11.2024. PM-Vidyalaxmi aims to provide financial support in the form of easy availability of collateral and guarantee free education loans to meritorious students who get admission in the Top 860 Quality Higher Education Institutions (QHEI) of India, translating to covering more than 22 lakhs fresh students who get admission in these HEIs every year. Further, for students with family income upto Rs. 8 lakhs, 3% interest subvention will be provided.

This is in addition to credit guarantee cover being provided for loans upto Rs. 7.5 lakh and full interest subvention being provided for technical courses to students with family income upto Rs. 4.5 lakh under PM-Uchchatar Shiksha Protsahan (PM-USP) scheme of Department of Higher Education. Thus, PM Vidyalaxmi and PM-USP will together provide holistic support to all deserving students to pursue higher education in quality HEIs in India.

A PM-Vidyalaxmi portal is being developed by the Department of Higher Education for the simple, transparent and entirely digital process of this scheme. Awareness about the PM-Vidyalaxmi scheme would give great encouragement to school students to pursue higher education in these top quality HEIs.

Therefore, Heads of Institutions are requested to spread awareness about the scheme to the students so that financial constraints do not prevent any youth of India from pursuing quality higher education.

## 25<sup>th</sup> EDITION OF THE HORNBILL FESTIVAL 2024 HELD

---

### INAUGURAL CEREMONY OF THE 25<sup>th</sup> HORNBILL FESTIVAL:

The 25<sup>th</sup> Edition of the Hornbill Festival was held with pomp and gaeity at the Naga Heritage Village, Kisama, Kohima with the Governor of Nagaland, La Ganesan as the Chief Host and the Chief Minister of Nagaland, Neiphiu Rio as the Host.

Governor, La Ganesan speaking at the 25<sup>th</sup> Edition of Hornbill Festival 2024, said that this festival, lovingly dubbed the 'Festival of Festivals,' is a presentation of our tradition, a symbol of our unity and a testament to the diversity of Mother India. As we complete 25 years of this festival, it is a moment to reflect on what we have achieved. It is also

a moment to celebrate our unity in diversity and march to a harmonious future enriched by mutual respect and understanding, the Governor said.

To the guests at the festival, who have travelled from across the globe and our own countrymen from other states of India, the Governor said that their presence signals a bridge across cultures, continents, and hearts. It is through these shared experiences that we foster a deeper understanding and celebrate our richness and diversity. We are thrilled to share with them the beats of our traditional dances, the melodies of our folk songs, the flavors of our cuisines and the warmth of our Naga hospitality, the Governor added.

The Governor thanked all the government agencies, participants and communities whose tireless efforts have made this extraordinary celebration possible. Their dedication is what brings the spirit and life to the Hornbill Festival, making it a distinguished symbol of unity and cultural pride, and that this festival not only entertain but also enrich, connect, and inspire us all to appreciate and preserve the marvels of our history and traditions.

Chief Minister, Neiphiu Rio gave a special welcome to Japan, Peru, UK (Wales), United States of America, Bulgaria, the embassy officials as well as Dr. A. R. Rahman. He described the Hornbill Festival as an embodiment of the spirit of the Naga way of life, its vibrant culture and traditions. He emphasized on the festival being a legacy of the Naga forefathers and their spirit of unity and oneness.

Rio mentioned that over the years, the festival has transcended to bringing not just the citizens of the country together but also bringing together different nations for the

greater good of humanity. He paid tribute to the people of Nagaland, their resilience and creativity and added that 25 years of Hornbill Festival stands as a testament of its unity and brotherhood. He said that each Naga citizen is an equal stakeholder of the festival. Rio thanked the ambassadors sincerely for their efforts to travel to a far corner of the world and encouraged them to immerse themselves in the culture and come back with more friends and loved ones.

Ambassador Extraordinary and Plenipotentiary of Japan to India, Keiichi Ono expressed his excitement to collaborate with Nagaland to promote its charms. He mentioned the shared common history of the importance of bamboo in the lives of Nagas as well as the Japanese. He also emphasized on Japanese schemes that have employed over 100 Naga youths in Japan.

Ambassador of the Republic of Peru, Javier Manuel Paulinich Velarde talked about the shared values of the people of Peru and Nagaland. He said that the Peruvian dance will be showcased at the Hornbill Festival stage which will resonate with the Nagas and make deeper connections with them.

British High Commissioner to India, Lindy Cameron, CB OBE said that Wales is a partner country for this edition's Hornbill Festival as it is the 80th year of the Battle of Kohima where it has a deep historical tie with the British people as well. She endorsed the idea of furthering the partnership in the future through their shared love of music.

Padma Bhushan, Grammy & Oscar winner, Dr. A. R. Rahman talked about his love for Nagaland and the talent of the Naga people. He compared the energy of the Naga musicians as akin to the musicians abroad which later inspired him to make a documentary "Headhunting to Beatboxing"

about Naga artists. He enthralled the crowd with a special number.

Country Director, India, British Council Division and Minister Education and Cultural Affairs, Alison Barrett talked about her first visit to Nagaland 25 years ago during the humble beginning of the Hornbill Festival. She emphasized on the importance of culture, music and language and its importance of sharing it with communities. She talked about the power of music which brings together Nagaland and Wales.

Director of International Relations & Trade, Welsh Government, Andrew Gwatkin spoke about how he felt like he was coming home due to the likeness of the Naga hills to those of the Welsh ranges. He also mentioned the importance of the Indian community in Wales, and mentioned the partnerships that have been garnered between the nations in the sectors of healthcare, innovation, and youth.

Deputy Chief of Mission, United States Embassy, Jorgan Andrews talked about the spirit of humanity through the festival, and that the US Government is proud to be a part of it along with the other partner countries. He thanked the people of Nagaland for their overwhelming hospitality.

Minister, Tourism and Higher Education, Nagaland, Temjen Imna Along in his vote of thanks thanked the Governor of Nagaland, La Ganesan and the Chief Minister of Nagaland, Neiphiu Rio. He said the Hornbill Festival was the brainchild of the present Chief Minister and the success of this festival could be attributed to him due to his tireless efforts in promoting and networking with different countries and states as partners. The Minister thanked the Departments and the Government officials led by the Chief Secretary of Nagaland for

managing the event to the best of their ability. He also expressed sincere gratitude to the people of Nagaland especially the tribal bodies for bringing their cultural troupes from every nook and corner of the State to the festival.

Head G.B, Kohima Village, Medoo Keretsu invoked the Traditional Blessings. Task Force for Music and Arts (TaFMA) enthralled the crowds with the presentation of the flight of the Hornbill.

## CM NEIPHIU RIO CONVEYS APPRECIATION ON SUCCESSFUL COMPLETION OF 25<sup>th</sup> EDITION OF HORNBILL FESTIVAL

---

The Chief Minister of Nagaland, Neiphiu Rio expressed his heartfelt congratulations on the successful completion of the 25<sup>th</sup> Edition of the Hornbill Festival. This year marks a historic milestone as we commemorated 25 years of this iconic festival, a matter of immense pride for all citizens of Nagaland. The Hornbill Festival has elevated our state's reputation on the global stage, showcasing the vibrant energy, creativity, and innovation of our youth to the international community, while enabling them to pursue their aspirations, he said.

The policy of Partner Countries and States has added a multi-dimensional aspect to the festival, fostering collaborations, partnerships and developmental possibilities. The Music Festival has transcended boundaries, positioning Nagaland as an international music destination and providing unparalleled platforms for our young talents within our State. Most importantly, our collective goal of promoting, preserving, and celebrating our age-old traditions, rich cultural heritage,

and the Naga way of life continues to be strengthened through this event, the CM added.

Rio said, while celebrating the resounding success of the festival's 25<sup>th</sup> edition, it is important to acknowledge the challenges we faced this year, particularly in light of the natural calamities and hardships of recent months. Despite these adversities, several government departments worked tirelessly, completing multiple projects on a war footing in record time. These achievements underscore the immense potential for Nagaland to achieve accelerated progress when all government and supporting agencies work in unison with the same zeal and commitment.

Rio also mentioned that the collective efforts of all sections and numerous agencies and individuals led by the Ministers, Advisors, MLAs, Chairpersons of PSUs, the entire Government machinery under the able leadership of the Chief Secretary and the DGP and leaders of tribal hohos and civil societies deserve special recognition, the

Departments of Tourism, Art & Culture, Task Force for Music & Arts (TaFMA), the Home & Police Department, the Agri & Allied, Horticulture and Industries & Commerce Departments have played exemplary roles in making Nagaland shine brighter. The CM extended sincere gratitude to the Army and paramilitary forces, under the leadership of the GOC 3 Corps and IG AR. for their consistent partnership and support. He also expressed gratitude to the press and media and media persons across all platforms for the extensive coverage and reportage on the festival. The State and Central agencies of the DIPR, AIR, Doordarshan and BSNL including our local, regional and national media institutions have made appreciable contributions, he added.

Rio also conveyed his personal congratulations and the appreciation of the State Government to all government and non-government agencies, Tribal Hohos, Partner Countries and States, and every group, agency, and individual who contributed to the success of this year's festival. We acknowledge the contributions of the communities of Kigwema, Phesama

and the villages under the Southern Angami area, he added.

Rio also conveyed a special note of appreciation to the leaders and representatives of all church organizations and believers, whose enthusiastic participation added so much value and meaning to the festival. The memorable Devotional Advent Christmas Service held on Sunday, December 8, 2024, stands as a testament to their contributions.

Chief Minister Rio expressed deep gratitude to the well-wishers, guests, friends, and tourists who traveled from near and far to celebrate this occasion with us. Their presence made the festival truly memorable. We hope they will return with more friends and family in the years to come.

In conclusion, Rio mentioned that the success of the 25<sup>th</sup> Edition of the Hornbill Festival is a triumph for the Naga people. Every citizen of Nagaland is a stakeholder in this unique and unparalleled festival, which showcases not only our cultural richness and soft power but also the unity of our people, and he congratulated all concerned for their noble service.

## INTERNATIONAL DAY OF PERSONS WITH DISABILITIES 2024 CELEBRATED

International Day of Persons with Disabilities 2024 was celebrated at Kisama on 3<sup>rd</sup> December 2024 on the theme, 'Amplifying the leadership of Persons with Disabilities for an inclusive and sustainable future.'

Special guest, MLA & Advisor, Social Welfare, Wangpang Konyak said that the theme for this year is a powerful reminder of the vital role played by persons with disabilities, or rather, special abilities in shaping our communities. Leadership is not defined by ability but by vision, determination, and the courage to inspire change and persons with special abilities exemplify all of these qualities and more, he added. He cited that Hokato Sema, winning

Bronze Medal at Paris 2024 Paralympics has not only brought laurel to Nagaland and India but also inspired us all. His medal is a symbol of what can be achieved when talent meets opportunity, and we are committed to fostering an environment where such talents can flourish.

Konyak stated that the State Government commits in removing barriers-physical, social, and institutional that hinders progress toward inclusion which means designing policies, programs, and spaces that prioritize accessibility and equity and foster environments where persons with special abilities can excel as leaders in every field, be it governance, education, business, or society. He said that this event

Advisor, Social Welfare, Wangpang Konyak along with departmental officials and students at the International Day of Persons with Disabilities 2024 at Kisama on 3<sup>rd</sup> December 2024.

is a celebration of resilience, creativity, and potential. It is also a call to action and as policymakers, community members, and fellow human, we should ensure that inclusion is not just a vision but a reality. He also assured his support in addressing the issues and facilitating various activities of the commission.

In the programme, Anguzo Kense from Tabitha Enabling Academy presented 'I know a place,' Jo- foundation Inclusive school presented 'The lion sleeps tonight' and Vimethanuo presented the National Anthem.

## HORNBILL BAMBOO CARNIVAL 2024 AT SOVIMA

---

The much-anticipated Hornbill Bamboo Carnival 2024, organized by the Nagaland Bamboo Development Agency (NBDA) was held with grandeur at the Bamboo Amphitheatre, Nagaland Bamboo Resource Centre, Sovima, Chümoukedima, on 5<sup>th</sup> December 2024. The event was inaugurated by Abu Metha, Advisor to the Chief Minister and Chairman of the Investment & Development Authority of Nagaland (IDAN).

In his address, Abu Metha commended the NBDA for its dedication to promoting bamboo as a vital resource for sustainable innovation and development. He emphasized its role in fostering economic growth and creating opportunities for the people of Nagaland. He also expressed his appreciation for the diverse contributions made towards the festival's success.

Metha lauded the Chumoukedima

district, the host for the Bamboo Carnival, for its rapid growth and potential as an economic hub. Metha noted that the district, poised for significant growth in the coming decade, would play a key role in connecting India to the ASEAN region through major infrastructure projects. He emphasized that Chumoukedima, which represents unity across the tribes of Nagaland, serves as a model for regional cooperation, offering limitless opportunities for youth and economic growth.

In his remarks, Metha pointed to the growing importance of bamboo for the state, underlining the Chief Minister's vision of making bamboo an ambassador for Nagaland. He explained that bamboo has been central to Naga life for generations, used for everything from agriculture to construction, and that it holds great

potential for the state's economic future. He highlighted the ongoing partnerships with national and international organizations, including upcoming collaborations with experts from Taiwan on bamboo technology, and with a master craftsman from Japan, who will conduct workshops with local artisans. These efforts are expected to improve livelihoods and enhance the Naga economy.

Dr. Tolto Metha, Member, NBDA presented a detailed note on the carnival, highlighting bamboo's significance as a sustainable resource and its applications in various industries. Reflecting on the journey of the carnival, Metha shared that the idea was first conceived in 2012 with the vision to empower rural communities, alleviate poverty, and engage people from various fields in the bamboo industry. Over the years, the event has grown from a small initiative into a significant part of the state's annual Hornbill Festival calendar.

Metha noted that this year's carnival hosted around 200 entrepreneurs, showcasing not only bamboo crafts but also innovations in music, arts, and the food industry. He emphasized how this reflects the versatility of bamboo as a resource and its potential to inspire creativity and entrepreneurship. He highlighted bamboo's role as a sustainable resource capable of improving livelihoods and uniting people from diverse backgrounds.

Delivering the welcome address, Albert Ezung, Mission Director of NBDA

warmly welcomed the esteemed guests, including Keoshu Yimchunger, Advisor to Youth Resources & Sports, Obed Quinker, Chairman of the Nagaland Bee Keeping and Honey Mission, K. Shohe, Chairman of the Nagaland State Mineral Development Corporation, Prasielie Pienyü, Chairman of Nagaland Handloom and Handicraft Corporation, Sebastian Zumvu, Chairman of Sovima Village, and Rev. Zhau Sanchu, Principal of the Hope Institute of Theology. He also acknowledged the presence of three distinguished guests from Japan Hirokazu Matsumoto, a renowned bamboo artist, Ryuta Saito, Second Secretary at the Embassy of Japan in India, Kuniaki Yazawa, an official from JICA India. Ezung emphasized the importance of their visit in fostering collaborations in bamboo art, culture, and entrepreneurship.

The carnival also marked the launch of exhibition stalls showcasing a wide range of innovative bamboo-based products. Live demonstrations featured bamboo crafts from the Tuli Bamboo Cluster, handicrafts from BAM Hub, sustainable energy solutions like Longmi Bamboo Charcoal Briquettes, bamboo-based jewelry by Akami, unique bamboo products from Native Product Industrial, dry flower arrangements by Nobody Talie, handicrafts by The Naga Feather Pvt. Limited, bamboo-based items by Sera Self-Help Group, crafts by the Craft and Development Society, bamboo innovations by Bamboo Concept, and Japanese bamboo artistry by Matsumoto.

**6<sup>th</sup> NAGALAND HONEY BEE DAY CELEBRATED**

---

Nagaland Beekeeping & Honey Mission (NBHM) organised the Nagaland Honey Bee Day on 5<sup>th</sup> December 2024 at NBHM'S Multi Utility Center 6<sup>th</sup> Mile Sovima, Chümoukedima, under the theme BeeZ Vibes “Give bees a chance,” with Advisor to the Chief Minister & Chairman, Investment & Development Authority of Nagaland (IDAN), Abu Metha gracing the programme as the Special Guest.

Speaking on the occasion, Metha stated that today, as lifestyle changes and as people become modern conscious, honey has become a key and vital food. It is not

just a food we consume and add elements of our life but also consider a super food that does not contain any side effects and apart from health benefits, there are many other qualities which can be used for other external purposes like cosmetics, waxcraft etc. Metha added.

To enhance production, Metha suggested use of technology to add value to our honey. He also suggested documenting the indigenous knowledge of beekeeping of our farmers for future generations. He informed that today, India is targeting to become the honey capital of the world and

at present, the size of the honey economy in india is 3000 crore and in 10 years it's expected to cross 5000 crore and even if we get 1 percent of the industrial economy to Nagaland, it is 30 crore, and added that the scope and future of honey industry in Nagaland is enormous.

Metha urged the students to understand the dynamics of bee keeping, the economic potential of bee keeping, how one can have a better life and career and at the same time contribute towards a healthy ecosystem of our environment.

Metha thanked the farmers and assured full help from the government to improve and enhance their beekeeping. He also congratulated the department for making efforts to set up the first Honey Museum in the Northeast and introducing the concept of honey tourism to tourists outside the state and the storytelling process of honey in Nagaland.

In his keynote address, Agriculture Production Commissioner & Mission Director, NBHM, Wezope Kenye, IAS said that Nagaland was the first state to have launched a dedicated mission in the year 2007 for the promotion of beekeeping and honey activities in the country to create a conducive environment for enhancing the existing potentials through technology reach and beekeeping development interventions. Nagaland is also the first State in the country to have decided to declare 5<sup>th</sup> December of every year as the 'Nagaland Honey Bee Day' through a cabinet approval in the year 2017, and since then, NBHM has organized and celebrated 'Nagaland Honey Bee Day' annually.

Kenye expressed that NBHM chose a theme to send out a strong message for the upcoming 'Z' generation of youngsters to give

the bees a chance. The theme aims to instil a sense of curiosity and sensitize the young people on the importance of honeybees and beekeeping.

Kenye further highlighted that, since its inception in 2007, NBHM has trained over 25,000 beekeepers across 500 villages. Their efforts have increased our state's honey production to approximately 440 metric tonnes per year. However, it aims higher with a target of 2000 metric tonnes by 2030. He informed that, this year, NBHM introduced 'Bee Tourism' during the Hornbill Festival. Visitors experienced firsthand traditional beekeeping practices, especially in Mima village, known as the 'Honey Village.' This initiative not only promotes our culture but also boosts the local economy, he said.

The resource persons of technical session were Temjenchuba K Char, Letgong Patrick and Nzanbemo K Lotha who delivered a presentation on the topic 'Overview of beekeeping - with special reference to Nagaland,' 'Importance of bees, beekeeping & honey,' and 'Scope of beekeeping in Nagaland' respectively.

Earlier, Advisor, Abu Metha released Apinews as well as launched the website marketing of 'Nagaland Honey' in collaboration with social commerce venture <http://www.otipy.com>.

## DEPARTMENT OF INDUSTRIES & COMMERCE ORGANIZES BUYERS & SELLERS MEET

---

The Department of Industries & Commerce organized the highly anticipated Buyers & Sellers Meet 2024 at Bamboo Hall, Kisama on 6<sup>th</sup> December 2024. The event aimed to create a platform for business collaboration, fostering connections between local buyers and sellers in Nagaland.

The meet was graced by the Advisor for Industries & Commerce, Hekani Jakhalu, who highlighted the importance of such initiatives for the state's growing entrepreneurial landscape. Speaking as the special guest, Jakhalu emphasized that Nagaland is a young state where entrepreneurship and business are still evolving concepts. However, she pointed out that the start-up culture is rapidly gaining momentum. The market in Nagaland is still pure and unadulterated, Jakhalu noted, adding that there are numerous advantages to launching businesses early in such an environment. She assured the attendees that the Government of Nagaland would continue to support both buyers and sellers in their entrepreneurial ventures, facilitating growth through every possible means. She expressed hope that the partnerships formed during the meet would contribute not only to the state's economy but also to the national economy.

In his keynote address, Secretary of Industries & Commerce, Shanavas C, IAS, shared insights about the Raising and Accelerating MSME Performance (RAMP) initiative, a Government of India programme under which the buyers and sellers meet was organized. He acknowledged the unique

challenges faced by Nagaland but urged the gathering to embrace these challenges as opportunities for growth. Shanavas also highlighted one of Nagaland's most significant strengths: its young and talented workforce, known for its strong work ethics and craftsmanship. Encouraging participants to seize the opportunities ahead, he said the meet marks the beginning of a long-term relationship.

Director of Industries & Commerce, P. Tokugha Sema spoke about the significance of the event as a platform for both affiliation and transactional activities. He emphasized that Nagaland holds immense potential in sectors such as handloom, handicrafts, and food products. Sema urged participants to fully capitalize on these opportunities to drive economic development in the region.

Following the inaugural session, the event proceeded with a series of interactions between buyers and sellers. This was followed by a Business-to-Business (B2B) meeting and a feedback session, allowing participants to engage directly and discuss potential collaborations.

The Buyers & Sellers Meet 2024 was organised to strengthen business relationships, promote regional products, expand market access, and contribute to the economic development of Nagaland, all the while offering buyers new, high-quality products to source and sell in broader markets.

The Buyers & Sellers Meet 2024 proved to be an important step toward boosting

local businesses and fostering lasting partnerships, contributing to Nagaland's economic growth and integration into the broader national and international markets.

The meet saw the participation of 27 sellers from Nagaland and 18 buyers from various parts of the country, including Kerala, Mumbai, Delhi and Kolkata.

## NAGALAND STATE EXPORT SUMMIT 2024 HELD AT KISAMA

---

The Nagaland State Export Summit 2024 organised by the Department of Industries & Commerce, was convened at the Bamboo Hall, Naga Heritage Village, Kisama, Kohima on 7<sup>th</sup> December 2024.

P. Tokugha Sema, Director of Industries & Commerce emphasized the summit's significance for entrepreneurs, particularly during the Hornbill Festival. Sema asserted that attendees would glean valuable insights from industry experts during technical sessions, especially regarding product exportation. He noted that while Nagaland currently exports goods like coffee and fruits, greater efforts are needed to expand the global market presence. Sema acknowledged the potential of Nagaland's entrepreneurs but stressed the need to overcome procedural obstacles. The summit, he added, would provide guidance on navigating these challenges and connecting with international customers. Sema also highlighted the numerous schemes available to entrepreneurs through the central and state governments, encouraging attendees to leverage these opportunities.

Shanavas C, Secretary of Industries & Commerce characterized Nagaland's export sector as nascent and largely focused on local markets. He noted that few entrepreneurs currently export to national or international markets. The government, Shanavas emphasized, aims to facilitate the global reach of products with export potential.

He stressed the paramount importance of maintaining high product quality. Shanavas acknowledged the passion driving entrepreneurial ventures, underscoring the need for consistent effort and a focus on branding and packaging to establish a distinct "Brand Nagaland." He urged entrepreneurs to prioritize market understanding, cater to customer needs and wants, and implement effective product promotion strategies. Shanavas concluded by emphasizing that a 10% government workforce will not drive Nagaland's development. He asserted that entrepreneurs must be the driving force of economic progress and encouraged attendees to capitalize on the expertise offered during the technical sessions.

The Nagaland State Export Summit was held with special focus on One District One Product, boosting the economy of each district, with focus on product enhancement support, e-commerce on-boarding, boosting domestic trade, export promotion, B2B facilitation. The participants attending the summit were entrepreneurs of Hornbill Festival 2024.

The technical session focused on state export plan, export procedures and documentation, post-harvest management and marketing of spices, experience sharing, Dal Ghar Niryat Kendra, support schemes and assistance to entrepreneurs, credit linkage for farmers, producers and entrepreneurs.

## INTERACTION SESSION WITH UNION MINISTER HELD AT IG STADIUM KOHIMA

An interaction session with Union Minister for Labour & Employment and Youth Resources & Sports, Dr. Mansukh L. Mandaviya was held at Indira Gandhi Stadium, Kohima on 7<sup>th</sup> December.

Speaking at the interaction session, Union Minister, Dr. Mansukh L. Mandaviya said India has a rich history of sports and boasts some of the world's greatest athletes. To produce such athletes, a good sports infrastructure is very important, and sports infrastructure in India has come a long way in recent years.

The Union Minister added that India has a rich sporting culture, and over the years, there have been many initiatives taken by the government and private sector to develop the sports infrastructure in the country. However, he maintained that there are still challenges that need to be overcome to make sports accessible to all and promote the development of young sporting talent in the country. Dr. Mansukh asserted that the development of sports infrastructure in India has been significant in recent years, and many initiatives have been taken to promote

sports at the grassroots level.

Dr. Mansukh mentioned that Khelo India Programme which was launched in 2018 is an initiative focused on promoting grassroots sports and identifying young talent across the country. It aims to create a pipeline of athletes who can compete at the national and international levels. Launched in 2014, Target Olympic Podium Scheme (TOPS) provides funding and support to elite athletes with the potential to win medals at the Olympic Games. This initiative is focused on enhancing the performance of Indian athletes at major international competitions.

The Union Minister informed that under the leadership of Prime Minister, Narendra Modi, the government has recognized the potential of e-sports to not only entertain but also create new opportunities for youth, innovation, and economic growth.

Dr. Mansukh interacted with the officials of Labour & Employment Department, Youth Resources & Sports Department, Nagaland Olympic Association and State Sports Association.

## NAGALAND LAUNCHES 100-DAY TB ELIMINATION CAMPAIGN

The Department of Health & Family Welfare, Nagaland, launched the 100-Day Intensified Campaign on TB Elimination (Ni-Kshay Shivir) on 7<sup>th</sup> December 2024, at Seikhazou, D. Khel Ground, Kohima. The initiative is part of India's nationwide effort to eliminate Tuberculosis (TB) by 2025, five years ahead of the global target set by the United Nations' Sustainable Development Goals.

Minister, Health & Family Welfare, P. Paiwang Konyak, in his keynote address, reaffirmed the state's commitment to eliminating TB by 2025. He emphasized the need for collective action involving government agencies, NGOs, healthcare providers, and communities. The Minister assured that sufficient funding and resources would be allocated to support the campaign's implementation and ensure its success.

Dr. Tseilhoutuo Rhutso, MLA emphasized the need for collective efforts in eradicating Tuberculosis (TB). Speaking on the topic, he stated, "TB is a disease

known to everyone. While it is commonly associated with the lungs, it can also affect other organs such as the skin, bones, brain, and intestines." He highlighted that TB tests might show negative results, which could indicate a "latent" or "closed" infection rather than an absence of the disease, adding that skin tests are more practical in certain cases. Dr. Rhutso urged the public to actively participate in the campaign, emphasizing that public involvement is essential in alignment with democratic values. He also expressed his readiness to support the campaign to ensure its success.

Advisor, School Education and SCERT, Dr. Kekhrielhoulie Yhome reflected on the historical challenges of TB eradication, noting that despite efforts, previous targets and aims have often met with failure. He highlighted the ambitious nature of India's 100-day TB Elimination Campaign and called on stakeholders to address ground realities and public policy gaps for its successful implementation.

Minister, H&FW, Paiwang Konyak flagging off the Ni-Kshay Vahan to launch Nagaland's 100-Day TB Elimination Campaign at Seikhazou, Kohima on 7<sup>th</sup> December 2024.

Delivering the welcome address, Anoop Khinchi, IAS, Commissioner & Secretary of Health & Family Welfare underscored the critical importance of addressing TB, which remains one of India's biggest public health challenges. Nagaland reported 4,229 TB cases in 2023, with 3,018 new cases identified this year alone. The campaign aims to strengthen efforts in early detection, comprehensive treatment, and nutritional support for TB patients.

Dr. Akuo Sorhie, MD (NHM) highlighted the campaign's focus on vulnerable groups, including high-risk populations such as household contacts of TB patients, individuals with HIV or diabetes, and the elderly. Advanced diagnostic tools like AI-based X-ray screenings and molecular testing will play a pivotal role in identifying cases early. The campaign also emphasizes nutritional support, with ₹1,000 per month

provided to patients under the Pradhan Mantri TB Mukh Bharat Abhiyan.

The launch event featured the felicitation of Nikshay Mitras and TB Champions, along with the distribution of food baskets. The programme concluded with the flag-off of the Ni-Kshay Vahan by Minister Paiwang Konyak, symbolizing the state's intensified efforts to reach remote areas with diagnostic and treatment services. A host of MLAs and civil society leaders, officials and others attended the programme.

Running until March 2025, the campaign will focus on reducing stigma, raising awareness, and mobilizing communities to take an active role in fighting TB. With sustained efforts and collaborative participation, Nagaland moves closer to its vision of a TB-free state, ensuring improved health and dignity for all its citizens.

## CM NEIPHIU RIO ATTENDS THE 72<sup>nd</sup> NEC PLENARY HELD AT AGARTALA

---

Addressing the 72<sup>nd</sup> Plenary Session of the North East Council (NEC) Governing Council at Agartala on 21<sup>st</sup> December 2024, the Chief Minister of Nagaland, Neiphiu Rio, said that NEC has been functioning as a statutory Regional Planning body since 1971. Taking the opportunity, Rio put on record the good, the pioneering work done by NEC for development of the region.

Chief Minister Rio said that it is now almost 50 years since NEC was set up but the region still has a huge development deficit when compared to the developed states in the mainland. The NEC which has been set up with a special purpose due to special needs, deserves more resources at its disposal. However, over the years, the functional autonomy of NEC intended by the Parliament has been significantly diluted and the role of NEC is becoming insignificant. Rio further said that during the previous Plenaries, he had raised concerns about the diminishing role of NEC, and the need for enhancing fund allocation for the NEC. Therefore, he requested the Chairman, NEC to consider providing more budget allocation for NEC and also increase delegation of powers to sanction projects so that the

regional aspirations of the States are fulfilled by the Council.

Rio further expressed gratitude to the Government of India for initiatives undertaken for the North Eastern States under the schemes of PM DevINE and NESIDS (ROADS). While appreciating these efforts, the Chief Minister called for the attention of this August House by saying that the financial outlay for the State of Nagaland under PM DeVINE from the period 2022-23 to 2025-26 is only Rs. 561 crore, and under NESIDS ROADS, the allocation is ₹276.69 crore for the same period. These allocations, while helpful, are insufficient for undertaking major infrastructural developmental projects. He urged the Minister to consider enhancing the budgetary allocation for PM DevINE and NESIDS (ROADS) so that the state can undertake impactful projects that truly address the regional aspirations of the people and foster inclusive development.

Rio also highlighted the issue of delays in the approval and clearance of projects by NITI Aayog and Line Ministries, as these delays impede the timely implementation of schemes and projects, causing frustration among stakeholders and slowing the progress

of developmental initiatives. He urged the Minister to consider a time schedule, asking the states for the priority list by December/January and submission of the State Priority List to Ministry of DoNER/NEC by April/May, so that the approval may be accorded by the Ministry in June/July. This will enable the implementing departments to initiate the tendering process by August/September and the work order can be issued in October. The works can be started by November and could be completed before onset of monsoon.

Chief Minister Rio further said that due to limited resource base, the state government is unable to undertake capital projects and important infrastructures, the government has submitted important projects such as construction of Airport at Ciethu, Kohima, the only capital in the country without airport, Foot Hill Road to boost urbanization and industrialization in the State, completion of the Multi-Disciplinary Sports Complex at Dimapur to

promote sports in the state, Indian Institute of Science Education and Research (IISER) to serve as a prestigious national institute for enhancing youth exchanges and fostering greater integration between Nagaland and the rest of the country. The Chief Minister requested DoNER Ministry/NEC to support and own the projects submitted by the State and coordinate with concerned agencies for approval of these projects, which will help to accelerate the pace of economic development and address infrastructure needs.

Chief Minister Neiphiu Rio requested to consider extending the opportunity for hosting the North Eastern Council (NEC) Plenary to each of the Northeastern State on a rotational basis. Such an approach would enable all states in the region to actively participate in and contribute to the planning and decision-making process, fostering a sense of inclusivity and shared responsibility in regional development initiatives.

## THE HERITAGE BASKET ORGANISED AT CHIECHAMA VILLAGE

---

To promote and make the Hornbill Festival to a more eventful festival, the Chiechama Coffee Growers in collaboration with the Land Resource Development put forth an innovative idea by initiating an event called "Farm to Cup- The Journey of Coffee Beans" as the newest entrant to "The Heritage Basket" introduced by Chiechama village few years back to showcase its culture, traditional values and practices.

A complimentary certified organic

coffee was served to the visitors and tourists at the venue.

The Heritage Basket implies inheriting unique cultures and practices from our forefathers by the present generation. It also means to protect, preserve, promote, and pass on its traditional values to the next generation. During this time of festival, indigenous games dominate the event.

At present, there are 27 coffee growers in the village reportedly to be certified in

accordance with the National Programme for Organic Production. Coffee was first grown in the village during the 1980s, however, it was abandoned due to lack of demand and marketing facilities. Then coffee plantations began to sprout again in 2018. At present, there are about 80,000 coffee plants in the

village covering an area of more than 80 acres.

People with no permanent source of income for sustenance are being motivated and encouraged to make Agri. & allied sector as the mainstay of their livelihood.

She also commended ASAN for providing a platform for emerging shooters, with the potential for Wokha's athletes to compete internationally.

Ajit John, a founding member of ASAN, shared the association's vision to expand its

reach beyond Wokha to other districts such as Kohima and Dimapur. He emphasised the importance of focusing on grassroots development to ensure equal opportunities for shooters across Nagaland. He also expressed gratitude to the sponsors of the event, including AZ Communication and Trading, M/S T.R. Lotha Electrical Division, IZZE Collection, and R. Murry Gun House for their continued support.

The winners of the competition were L. Yibomo Odyuo, who claimed the championship title, followed by Benathung Ovung as the first runner-up and M. Nyamo Odyuo in the third place.

Out of 40 registered participants, 34 turned up for the competition. The organisers noted a higher turnout this year compared to previous editions.

## DIMAPUR PRESS CLUB CELEBRATES SILVER JUBILEE

Dimapur Press Club celebrated its Silver Jubilee on 16<sup>th</sup> December 2024, at the Dimapur Government College Auditorium, bringing together notable personalities, journalists, and distinguished guests to observe the 25 years of journalistic excellence and community service.

The celebration featured Sharingain Longkumer, Speaker of the Nagaland Legislative Assembly as the Special Guest, alongside Yirmiyar Arthur Yhome, Deputy News Director for Asia-Pacific at The Associated Press, who served as the Theme Speaker. The theme for the event was “Harnessing Media Vibrancy, Embracing New Frontiers”.

Sharingain Longkumer commended the Dimapur Press Club for its unwavering commitment to upholding the principles of journalism over the past 25 years. He highlighted the vital role the press plays in shaping public opinion, holding authorities accountable, and bridging the gap between the government and the people. “The press is the backbone of democracy, and organizations like the Dimapur Press Club are integral in ensuring that the voice of the people is heard,” he said. The Speaker also emphasized the importance of ethical journalism in an era of misinformation and encouraged journalists to continue their dedication to truth and integrity.

Yirmiyar Arthur Yhome spoke on the theme “Harnessing Media Vibrancy, Embracing New Frontiers” with profound insights into the evolving landscape of journalism. Yhome emphasized the growing need for the media to adapt to technological advancements and changing audience

behaviours. She underscored the importance of vibrant media practices, urging journalists to leverage digital platforms, data-driven storytelling, and innovative approaches to ensure credibility, speed, and accuracy in reporting.

In his address, Deputy Commissioner of Dimapur, Dr. Tinojongshi Chang expressed gratitude to the press fraternity for their cooperation in highlighting grassroots issues and ensuring wide coverage of developmental activities in Dimapur and Nagaland. He asserted that the media has been instrumental in bringing attention to the realities at the grassroots level. Acknowledging the importance of a responsible press, the DC urged the media to continue its role as a nurturer of society by focusing on the positive aspects and developmental stories of the region.

Briefing on the history of DPC, Dilip Sharma, Convenor of the Planning Committee said that Dimapur Press Club (DPC) was established in 1999 to provide a common platform for journalists in Dimapur, Nagaland to foster solidarity, support and professionalism within the media community. Over the past 25 years, the club has played a significant role in promoting ethical journalism, ensuring press freedom, and serving as a voice for the people. It has also served as a bridge between the media and society, addressing critical issues while promoting transparency and accountability.

The Silver Jubilee celebration marks a milestone in DPC’s journey, celebrating its contributions to journalism and its role in shaping informed public discourse in Nagaland.

## CM NEIPHIU RIO AND DR. A.R. RAHMAN INAUGURATES CEMA AT KOHIMA

Centre of Excellence for Music & Arts (CEMA) was inaugurated by Chief Minister, Nagaland, Neiphiu Rio and Padma Bhushan, Grammy & Oscar winner, Dr. A.R. Rahman at Ministers' Hill, Kohima on 1<sup>st</sup> December 2024, in the presence of Deputy Chief Minister and Minister in-charge of National Highways, T.R. Zeliang, and Deputy Chief Minister and Minister in-charge of Home Department, Y. Patton.

Stating that setting up the Centre of Excellence for Music & Arts was not only his dream, but a dream of the musicians and artists, Chief Minister, Neiphiu Rio said the State Government is determined to help the youth in music and arts, sports etc. especially those who do not have proper opportunities. He expressed gratitude to Dr. A. R. Rahman for coming all the way to Nagaland, and that the State Government looks forward to working and partnering with him in the future. He also thanked him for having the heart to help the young children, less privileged people, nurturing and guiding them. With a positive approach and attitude through music, arts and sports, he expressed hope that the Naga people will be brought together under

one umbrella. He expressed hope that Nagaland will not be only called as a land of festivals, but also known as a land of music.

Delivering the welcome address, Chairman, TaFMA, Theja Meru thanked Chief Minister, Neiphiu Rio for supporting and guiding the youth, and in particular, the musicians and artists, at all times, pushing them beyond the borders of Nagaland. He also thanked Dr. A. R. Rahman for inspiring the youth of the State, and for his continued support in the field of music.

Padma Bhushan awardee, Dr. A. R. Rahman, who is a singer, songwriter, music composer, record producer, expressed happiness to be a part of the inaugural programme. Sharing that his quest and search for music has led him to Nagaland, he expressed hope that the musicians and artists of the State will continue to inspire in the days to come. On the occasion, A. R. Rahman also announced that Headhunting to Beatboxing, a musical documentary exploring the sonic heritage and cultural heritage of Nagaland, which is produced by him, has been selected for the 2025 Palm Springs International Film Festival.

Advisor to Chief Minister, Nagaland, Abu Metha extended his appreciation to the Chief Minister for supporting the young people of Nagaland and for playing a positive and contributory role in their dreams and aspirations. He stated that about two decades ago, the Chief Minister envisioned to set up a separate special purpose vehicle to promote music and arts in Nagaland, and that vision has today seen so many results which has taken Nagaland to the global platform. He added that our musicians, artists, performers, our ambassadors of the entertainment industry are not only doing Nagaland proud, but they're doing India proud across the globe, performing in different continents. These opportunities were opened up because of support from the State Government, and the vision and support in the form

of resources, infrastructure by the Chief Minister.

The Centre of Excellence for Music & Arts (CEMA) was conceptualized to encourage and promote music and arts to national and international level, and to create awareness and preserve talents of people practicing age old traditional Music and Art which are getting ignored. The Centre will also provide a platform for professional musicians and amateurs to meet, interact and learn. The Centre was constructed at a cost of Rs. 5.00 Crore under Special Assistance to States for Capital Investment. The implementing department is Youth Resources & Sports Department, Government of Nagaland and the Construction Agency is M/s Infrastructural Development Consortium under EPC Mode.

### CM NEIPHIU RIO INAUGURATES UPGRADED DIMAPUR TOWN HALL

---

The much-anticipated upgrade of Dimapur Town Hall was inaugurated on 17<sup>th</sup> December 2024 at NSA Super Market, Dimapur. This milestone is a significant step towards improving urban infrastructure in the region under the leadership of the Urban Development Department.

In his inaugural speech, Chief Minister of Nagaland, Neiphiu Rio emphasized Nagaland's rapid

urbanization, with the urban population recording at 66.70% growth since the 2011 census. He underscored the need for resilient infrastructure to sustain this growth and called for investment in urban centres like Dimapur, a key economic hub characterized by its diverse population and strategic location.

Acknowledging global projections that 68% of the world's population will reside in urban areas by 2050, Rio

stressed the importance of balanced urban and rural development to ensure economic prosperity. He reaffirmed the Nagaland Government's commitment to building sustainable infrastructure, particularly in transportation, railways, and marketplaces, to improve accessibility and quality of life.

Rio also said that the Dimapur Town Hall has been successfully upgraded to meet modern standards, blending tradition with contemporary needs. Where he highlighted that the project involved durable materials, robust acoustic treatments, advanced audio and lighting systems, centralized air conditioning, enhanced safety measures, power backup, and beautification works. This sustainable upgrade reduces greenhouse gas emissions compared to building a new structure, improving comfort for public use.

CM Rio also said that the facility for rewired power connectivity and other enhancements has been handed over to the Development Authority Nagaland (DAN) for operation and management.

Rio said Dimapur Town Hall holds cultural significance as a venue for festivals, religious rituals, weddings,

and other social events. Its upgraded amenities now cater to modern needs while preserving its role as a community hub.

Advisor of Tribal Affairs and Election, H. Tovihoto Ayemi, who graced the occasion as the honoured guest, described the event as the beginning of a new chapter for the city, emphasizing the hall's role in symbolizing progress and service. He recalled that the foundation stone for the original town hall was laid in 1986 by former Chief Minister S. C. Jamir, but over time, the facility fell into disrepair and had to be shut down. Thanks to the vision and efforts of the Chief Minister, Neiphiu Rio, the dream of a modern town hall has been realized, offering the people of Dimapur a fitting venue for various civic and cultural activities, he added.

Equipped with modern amenities such as greenrooms, washrooms, a cafeteria, and fire safety measures, the hall is being hailed as the finest of its kind in the state. Tovihoto also urged the citizens to preserve and responsibly use the facility, emphasizing it as a shared community asset.

**JOTSOMA EXPERIENCE: LESSONS IN CONSERVATION**

- A DIPR Feature by **Morotsung Longchar, IA**

Far from the madding crowd, nestled in the foothill of the iconic Puliebadze Peak, the Jotsoma Nature Conservation and Eco Tourism set up the base for the Jotsoma Experience as part of the Hornbill Festival 2024. Tourists from across the globe and India flocked to Kohima to join in the festivities of the much acclaimed Hornbill Festival wherein they come not just to watch the songs and dances and the cultural performances but rather to experience the Naga way of life, be it the food, the rich culture and traditions and most importantly, to be among the fun loving, easy going good natured people that inhabits the State. The Hornbill Festival in itself is a unique experience and has much to offer for people seeking different experiences. Among such experience is the Jotsoma Experience which is ideal for nature lovers and the adventure seekers.

The Jotsoma Experience offers a unique opportunity for nature lovers and adventure enthusiasts to immerse themselves in the beauty of nature, far removed from the fast-paced urban lifestyle. Nestled in a pristine, virgin forest, visitors are surrounded by towering trees that have stood for over

a century, creating an atmosphere of tranquillity and timelessness. This experience is especially precious in today's world, where rapid urbanization and industrialization have diminished opportunities to connect with such untouched environments.

The trek to Puliebadze Peak, which is also a highlight of the Jotsoma Experience, is an exhilarating adventure for those who love trekking. As hikers make their way to the summit, they are rewarded with breathtaking views of the surrounding landscape - lush, rolling hills and vibrant greenery that define the natural beauty of the region. This combination of serene forest and challenging terrain makes the Jotsoma Experience an unforgettable journey for both nature lovers and those with an adventurous spirit. Whether you are seeking peace and solitude or craving the thrill of a physical challenge, the Jotsoma Experience provides a rare chance to reconnect with nature and explore a landscape that remains largely untouched by modern development.

The Jotsoma Experience goes beyond just the beauty of nature by offering a rich cultural immersion into the Naga way of life. Visitors

have the opportunity to witness live demonstrations of traditional daily activities such as weaving, pounding rice, and brewing rice beer. These demonstrations give a firsthand look at the customs and practices that have been passed down through generations, offering deep insights into the Naga community's lifestyle and heritage.

In addition to the live demos, visitors can explore traditional Naga attire and artifacts, which are displayed for educational purposes. These artifacts offer a glimpse into the craftsmanship, artistry, and rich cultural history of the Naga people. For those eager to learn more, the Jotsoma Experience also features stalls where visitors can sample authentic Naga cuisine, from the famous Naga chillies to the diverse range of meats and dishes that showcase the region's unique flavors. Food enthusiasts will be in for a treat as they savor the exotic tastes of the Naga culinary tradition.

For thrill-seekers, the Jotsoma Experience has an exciting off-road driving adventure. Starting from the Puliebadze base camp and continuing to the Japfu base camp, visitors can experience the rugged terrain and the beauty of the landscape from the comfort of off-road vehicles. These vehicles are available for hire at nominal charges, allowing visitors to drive the off-road

track themselves, adding an adrenaline-pumping aspect to their adventure.

The Jotsoma Experience offers a wide array of activities that further enrich the visitor experience, adding an element of fun and excitement alongside its deep cultural and natural immersion. Among the attractions are camping under the stars, taking a leisurely ride on a traditional wooden cart, and enjoying a thrilling hillside swing that let visitors take in the scenic beauty of the area from a unique vantage point. For those interested in history and tradition, there is the opportunity to try firing traditional muzzle-loading guns, an activity that brings visitors closer to the heritage of the Naga people.

However, what truly sets the Jotsoma Experience apart from other eco-tourism destinations is its deep commitment to conservation. The Jotsoma community does not just seek to promote eco-tourism; they are dedicated to preserving the forest and natural surroundings for future generations. This commitment to environmental stewardship ensures that the area remains untouched and pristine, allowing visitors to experience nature in its most authentic form.

The Puliebadze Experience, a key part of the Hornbill Festival, serves as a living example of a community working together to protect and conserve its

environment. It is not just an opportunity for tourism but an invitation to become part of a larger effort to maintain the integrity of the land. Visitors to the Jotsoma Experience are contributing to this conservation effort simply by participating in the activities.

This unique blend of cultural heritage, adventure, and ecological

preservation makes the Jotsoma Experience truly special. As part of the Hornbill Festival, it stands out as an event that highlights the importance of environmental conservation, making it an extraordinary and meaningful experience that is unlike anything else in the world.
